

## Gym Divider Curtains

### Inspection/Maintenance List

Curtain Model: \_\_\_\_\_

Curtain Number: \_\_\_\_\_

Periodically inspect your gym curtains and all related equipment and attachments. Frequency of inspections depends on use of the equipment. Use guidelines mentioned earlier in this manual when conducting inspections. Below is a checklist to assist you in keeping a record of curtain inspections and maintenance. Cut copy and post this page as a record of previous inspections and equipment repairs on each curtain. Place a checkmark or enter information in the appropriate box.
