

## Volleyball Systems

All volleyball systems below are sold as complete systems including standards, competition Kevlar rope nets, net tensioning winches, antennae, post or base padding and net height gauges. Order floor sockets and official's platform separately. Three-post, two court systems also available. Visit the website at [www.IPIbyBison.com](http://www.IPIbyBison.com) for our complete line of competition and recreational volleyball systems. Choose the system that is right for your program and your budget.

Visit [www.bisoninc.com](http://www.bisoninc.com) for our complete line up of volleyball systems for every level of play.

### VB1000NS Centerline® Aluminum

Centerline Aluminum is our most popular selling competitive volleyball system for college and high school facilities and is often the choice of other facilities who desire the advantage of lightweight aluminum systems without sacrificing the rigidity, net tension and telescoping features found on heavier steel systems. Net can be set at any height from junior's to men's. Sold in complete systems including 3" diameter standards, net tensioning devices, Kevlar net, post padding and antennae with adjustable foot pads. **Order floor sockets separately.**

VB1000NS

VB6000NS

### VB6000NS Match Point™ Aluminum

Match Point is the perfect solution when your needs call for a 3 1/2" diameter lightweight, low cost, easy to set up system for all levels of play. Match Point allows infinite net height adjustment from 42" tennis height through 96" men's volleyball. Includes many of the premium features found in our Centerline Systems. **Order floor sockets separately.**

VB73A

VB76

### VB73A Clamp-On Official's Platform

A popular choice that provides a stable platform with minimal player or visual interference. Compatible with any Bison volleyball standard. Standard padding color is gray to match powder coated finish. Padding also available in Black, Maroon, Navy, Royal or Scarlet.

### VB76 Freestanding Folding Official's Platform

Folds flat for transport and storage. Gray padding coordinates with platform finish.

Aluminum Floor Socket

Hinged Brass

Lockable Hinged Brass

Machined Aluminum

Chrome Plated Swivel

### Volleyball Floor Sockets and Floor Plates

Order sockets and floor plates individually for volleyball systems. Choose 3", 3 1/2" or 4" extruded aluminum sockets. Then choose hinged brass, lockable hinged brass, machined aluminum or chrome plated swivel style floor plate. Order one for each pole.

BM10

TN10

### BM10 Competition Badminton Systems

Competition Badminton System features 1 1/16" square aluminum standards compatible with BM23 socket and floor plates (order separately). Comes complete with competition net. **Order BM10P for portable Badminton System.**

### TN10 Competition Tennis Systems

Competition Tennis System has a 3" diameter, heavy wall extruded aluminum post with internal net cable tensioning system. Includes posts, net and center court hold down strap. Install indoors or outdoors. Direct bury in concrete or install in a 3" floor socket (order separately) for easy removal when not in use. **Order TN05 for Recreational Tennis System.**

### PK10XL Competition Pickleball Systems (not shown)

Same design as TN10 Competition Tennis System above except posts are shorter to accommodate pickleball net height. Includes posts, net tensioning winch, net and center court hold down straps. **Order PK05XL for Recreational Pickleball Systems.**
