

Backboard shall be 39" x 54" fan shaped fiberglass. The front and rear shell shall be gel coated fiberglass that is a minimum of 1/8" thick. The front and rear shall be permanently bonded together around a solid fiber core to create a solid backboard with an overall thickness of 1 5/16". Eight (8) threaded steel inserts are molded into the rear shell to facilitate mounting to common 20" x 35" support structure. The front and back of the backboard shall be white with an official-sized orange shooter's square and border shall be permanently molded into the surface. Backboard shall accept rims with a 5" x 5" hole pattern and be manufactured in the USA. Backboard shall carry a 10-year limited warranty. Installation to be completed in accordance to manufacturer's instructions. Do not scale drawings. Weigh approximately 89#.
