

25 YEAR LIMITED WARRANTY CEILING SUSPENDED & WALL MOUNTED BASKETBALL STRUCTURES

IPI by Bison ("The Company") warrants its Basketball Backstop structure against defects in material or factory workmanship for a period of twenty-five (25) years from the date of the original purchase ("The Warranty Period"). This warranty is limited to the original purchaser, and applies only to the backstop structure, which shall include the main backstop framework, jackknife, all ceiling superstructure clamps, hangers, and braces, as well as wall mounted backstop structure.

This warranty does not include 8' - 10' height adjustment units, winches, cables, cable guides, backboards, goals, or safety belts. These items are covered by a separate warranty. (See next page.)

If a defect is discovered during the warranty period, The Company must be notified in writing within thirty days of the discovery. The Company will, at their option, repair or replace the defective equipment at no cost to the purchaser.

The following use/conditions will void this warranty:

- a) Equipment that has not been installed according to the manufacture's specifications.
- b) Equipment that is used for purposes other than those for which it was originally designed.
- c) Equipment that is not used in accordance with generally approved practices.
- d) Disasters, whether natural or manmade, such as fire, flood, wind, earthquake, lightning, war or vandalism.
- e) Unauthorized alterations to or modifications of the equipment not approved by The Company in writing.
- f) Operation of the equipment by persons not properly trained for that purpose.

The Company's liability under this warranty is limited to the repair or replacement of defective equipment. Your sole and exclusive remedy against The Company shall be for the repair or replacement, at The Company's option, of any defective equipment. In no event shall The Company be liable for any incidental damage or consequential damages relating to or arising out of or in connection with the use or performance of the equipment, including, without limitation, bodily harm, any labor and/or other installation expenses incurred in connection with the replacement of any defective equipment warranted hereunder, or any other indirect damages with respect to loss of revenues or profits. Some states do not allow the exclusion or limitation of incidental or consequential damages, so the above limitation or exclusion may not apply to you.

This document constitutes the warranty in its entirety and no other provisions express or implied exist. This includes, without limitation, any implied warranties of merchantability and fitness of a particular purpose. Any modifications of this warranty must be in writing and signed by an officer of the company. No other person, agent, or representative of The Company has any authority to change or modify this warranty, either verbally or in writing.

This warranty gives you specific legal rights, and you may also have other rights, that may vary from state to state. Because of these state laws, certain provisions of this warranty may not apply to you.

The Company reserves the right to modify or change equipment at its discretion to improve the safety, operation or usefulness of the product.
