### BA42XL Glass

This popular unbreakable 42" x 72" glass backboard is perfect for competition courts and integrates an "off glass" goal mounting design that isolates the stress of dunking or hanging on the rim from the 1/2" tempered glass. This allows us to offer an **unconditional lifetime warranty**. Order **BA48XL** for 48" x 72" glass backboard.

### BA456 SMC Fiberglass

42" x 72" Sheet Molding Composite backboard is 2" thick with over 100 feet of 1/8" thick molded rear support ribs for maximum strength and rigidity. Face and edges of backboard are 1/4" thick with orange border and shooter's square. Additional powder coated steel components mounted to the rear add strength to the four corner mounting and rim mounting locations. Excellent for indoor or outdoor use. **Ten-year limited warranty.**

### BA465 Fiberglass

Popular 39" x 54" fan shaped fiberglass backboard is 1" thick and features 1/8" thick front and rear high gloss gel coated fiberglass skins sealed around a solid wood composite core. The front has a permanently molded-in border and shooter's square and the rear has threaded steel inserts for rigid permanent mounting. **Ten-year limited warranty.**

### BA495 Steel

Our most affordable gym backboard option. Great for side courts, elementary schools or other facilities where a competition size glass board is not required. 39" x 54" fan shaped, 12 ga. steel skin has heavy rear steel support structure, white powder coated finish and orange shooter's square and border. **Ten-year limited warranty.**

BA355

### BA355 Breakaway

ProTech™ Breakaway Goal fits all 42" rectangular glass and fiberglass backboards above and is supplied with a premium anti-whip net. Order **BA35** to fit 48" tall and fan shaped backboards. **Unconditional three-year replacement warranty.**

BA3180S

### BA3180S 180° Breakaway

Baseline™ 180° breakaway goal is a popular choice for collegiate and high school programs where dunking is common. Baseline flexes to the front like standard breakaway goals but also flexes to the left and the right in a 180° arc, for player and backboard protection from any direction. Fits all 42" tall backboards. Order **BA3180T** for rim to fit 48" tall and fan-shaped backboards. **Three-year repair or replacement warranty.**

BA27

### BA27 Fixed

Standard official goal for use in facilities where dunking or hanging on the rim is unlikely, so the backboard and player protection of a breakaway goal is not needed. Fits all styles and manufacturers' backboards. **One-year limited warranty.**
